- (3) Executive Officers of the Company shall receive a basic compensation (fixed monetary compensation) commensurate with their duties and stock compensation that reflects individual performance under a system that offers sound incentives for contributing to the sustainable growth of the Company.

2. Compensation for Directors

Compensation for Directors shall comprise a fixed monetary compensation of a certain level commensurate with their positions based on the primary role of supervision of management, and such level shall be an appropriate level that gives consideration to the extent of their duties as Directors and the current state of the Company.

3. Compensation for Executive Officers

Compensation for Executive Officers shall comprise a basic compensation (fixed monetary compensation) of a certain level commensurate with their duties in light of the differences in responsibilities depending on position and stock compensation that reflects the results of their evaluation based on factors such as the degree of achievement of management plans.

The level of a basic compensation shall be an appropriate level that gives consideration to the extent of duties of Executive Officers and the current state of the Company. However, should the compensation commensurate with the position of an Executive Officer who is in charge of a field that requires special business knowledge and skills fall significantly below the general level of compensation of an officer who is in charge of a similar field at another company, such Executive Officer shall receive a basic compensation based on the level of compensation of other companies, instead of compensation commensurate with his or her duties in the Company.

In terms of stock compensation, from the standpoint of offering sound incentives for contributing to the sustainable growth of the Company, Executive Officers shall be granted on a yearly basis basic points commensurate with their duties and performance points reflecting their individual evaluation based on factors such as the degree of achievement of management plans. At the time of retirement, Executive Officers shall receive stocks corresponding to the number of accumulated points and some cash attainable through conversion of shares of the Company.

4. Other

If a person serves concurrently as a Director or an Executive Officer of the Company as well as a director, an auditor or an executive officer of a Group company, such person shall receive compensation from the entity where the person executes primary business.
